

Newfound Area School District  
Public Relations Committee  
January 25, 2011

Present: Paul Hoiiris, chair, Becci Chase (co-chair), Colleen Lane (DES), Scott McCann (NHCS), Jason Dudek (NMMS), and Deirdre Conway (BES).

Not present: Monica Paiva (BHVS) and Sue Cross (SAU)

Meeting called to order.

Paul H. recorded PD time for all present. Becci Chase has accepted the position of co-chair Deirdre is the new "note-taker". Discussion about where our information is on Website. Could it be "stream-lined"? One click to be able to get all information regarding public relations? Sue? \*\*We must not use the term/title Talk of The Town. The Record Enterprise uses that, so we must rename ours to School Matters.

Information that is given to Ruth Whittier will be put in Talk of The Town Section of the Record Enterprise. Each school has a member responsible for sending information to her as you feel necessary. This does not have to be weekly-

A compliment was given to Ruth from an employee that said how great it was that school news was getting in the paper.

Review of CRC Minutes: Becci reported that a member of the public is needed. We are currently asking people if they are interested. A survey is forthcoming from the CRC. Should we have a high school student on this committee? Next CRC meeting is Mon., Feb. 14 at 3:15 at NMMS

TV Show update: Fri., 1/28 scheduled to tape an episode on bullying, weather permitting. Discussion of upcoming topics and future ideas of topics to be covered:
